

Presentasjon av Carol Schofield, dommer ved Norsk Boxerklubb kontaktområde Vestfold sin utstilling 26.08.2017

Born in the UK in 1960, always a love for animals, spending my younger life around my Uncle's farm, the excitement being, the Agricultural Shows, when all the animals were prepared and exhibited with much

achievement. I grew up with Horses, being a member of the Pony Club & Rockwood Harriers Hunt, very competitive at an early age. I had always had a love for the Boxer my ultimate dog, my miniature horse! I purchased my first boxer in 1979, then I became actively involved in the show scene, attending match nights and open shows, and moving on to the Championship Shows, having been fortunate to have had success over the years, winning CC's at Crufts & Top UK Boxer & Top UK Boxer Puppy award's. The last few Years has given me the opportunity to further my fabulous hobby in Europe.

My judging career in our lovely breed started in 1997, previously graduating over numerous Years through the UK judging system, and at a later date being approved and qualified for the A1 judges list by the Boxer Breed Council and UK Kennel Club to judge at Championship Shows. Since then many UK Championship appointments, many super Judging appointments and many a distant shore, the Spanish Jahressieger, Ireland, Sweden, South Africa and Australia, being the furthest one to date!! Also as a spectator, visiting many European shows from the early 1990's. I served as a committee member for many years on the Anglian Boxer Club UK, helping to run the Club and organize the Championship/Open Shows Events

My Kennel Affix being Koppernox. But I have handled Boxers and other breeds successfully for many other Kennels, the Saint Bernard being one of the latter different breeds, owning in partnership with his breeders Lazeybears Saint Bernard's, attaining Top winning Saint Bernard Puppy 2012 & CH Top Saint Bernard 2013 UK. I am a member of the Boxer Club Espana & Boxer Club d' Italia. My affix Koppernox is also now registered with the Real Sociedad Canina de Espana.

We now reside in Spain, near the beautiful Village of Agres, leaving the UK, winning Top Boxer Kennel 2012 and Top UK Boxer.

I wish everyone all the best for a lovely weekend.

Kort oppsummering på norsk

Carol er født i Storbritannia, men bor i dag i Spania.

Hun har alltid hatt en forkjærlighet for dyr, vokste opp med hest og konkurrerte fra tidlig alder. Som ung tilbrakte hun mye tid på onkelens gård hvor høydepunktene besto av forberedelser til og deltagelse på landbruksutstillinger.

Boxer har alltid vært i hennes hjerte som den ultimate hunderase – nesten som en hest i miniatyr! Fra hun fikk sin første boxer i '79, har hun vært aktiv med utstilling og har hatt suksess både på Crufts, Top UK Boxer og Top UK Boxer Puppy award's. De siste årene har hun som dommer fått mulighet til å reise rundt i Europa med hobbyen sin.

Hennes dommerkarriere startet i 1997 og hun er siden blitt godkjent for å dømme ved championat-utstillinger i Storbritannia. Etter dette har hun dømt Spansk Jahressieger, i Irland, Sverige, Sør Afrika og så langt borte som i Australia. Som tilskuer har hun siden tidlig 90-tallet besøkt mange Europeiske utstillinger.

Carol innehar kennelnavnet Koppernox, som også er registrert i den Spanske kennelklubben. Kennelen fikk tittelen Top Boxer Kennel i 2012.
