

Vi presenterer, for første gang i Norge, boxer-spesialens dommer! La oss vise hvilke boxere Norge har å by på.

☀️SANDRA PARLE☀️

I can't believe it's over 40 years since I first became involved in the wonderful breed of boxers, I obviously started at a very young age 😊. Having mainly concentrated on the handling side of dogs, I have had the honour and privilege of handling some great boxers (and Boston Terriers) to their titles:

Ch. Wildax Dinneke

Ch. Tonantron All Glory

Ch. Wildax Father Ted

Ch. Redmol Rio Rita

Ch. Hillthorn Gold Blend

Irish Ch. Wildax Silver Shadow.....and many more ticket winners!

In Boston's, I handled Ch. Wildax Lovelace to Breed Record Holder as well as many, many others.

Each of these dogs have been very different, individual and have made me very proud over the years that I have been involved in our amazing sport. I have to say that one of my proudest moments as a handler has to be at the British Boxer and doing "the double" when I handled Gold Blend to the dog CC. and then Rio Rita to the bitch CC. and BIS (what a day!).

I first awarded CC's. in Boxer's in 1997 and Boston's in 2006 and have since had the honour to judge both these breeds many times.

My proudest and most memorable moment as a judge has to be judging Boxer's at Crufts' in 2015.

I recently embarked on a new adventure in the dog world, I only went and got myself two Border Terriers (which I had been promising myself for many years) and yes, I'm hooked !!! They are so addictive.

I am looking forward immensely to my visit to your wonderful country and to the honour of judging your lovely Boxer's.
